## **COMMENTS INVITED ON APPLICATION OF CENTURYLINK COMMUNICATIONS, LLC TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES**

**WC Docket No. 15-10**  
**Comp. Pol. File No. 1198**

**Comments Due: February 10, 2015**

### **Section 214 Application**

**Applicant: CenturyLink Communications, LLC**

On **December 18, 2014**, **CenturyLink Communications, LLC** (CenturyLink or Applicant), located at **100 CenturyLink Drive, Monroe, LA 71203**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services in Bloomington/Normal and Peoria, Illinois (Service Areas).

CenturyLink indicates that it currently offers certain voice services, such as traditional telephone service, Integrated Service Digital Network-Primary Rate Interface (ISDN-PRI) service, long distance service, and data services, such as DS1 and Asynchronous Transfer Mode (ATM) services (Affected Services), in the Service Areas. According to CenturyLink, these Affected Services previously were offered through its Madison River Communications (Madison River) affiliate until April 2014 when the Madison River affiliate was merged into CenturyLink. CenturyLink states, however, that it now seeks authority to discontinue all of the Affected Services previously provided in the Service Areas by its Madison River affiliate, given the aging equipment used to provide these services. CenturyLink specifies that it plans to discontinue all of the Affected Services in the Service Areas on January 30, 2015, or as soon thereafter as the necessary regulatory approvals can be obtained. CenturyLink emphasizes, however, that the proposed discontinuance will have no impact on the other services currently offered and provided by CenturyLink in the Service Areas. In addition, CenturyLink maintains that the proposed discontinuance will not affect the services offered and provided in other states by CenturyLink's former Madison River operations. CenturyLink submits that it has notified affected customers of the proposed discontinuance and the alternative services available to them through CenturyLink, through a series of letters and other contacts over the past several months. CenturyLink also states that, on December 15, 2014, it sent an additional letter by U.S. Mail containing language required by the Commission's rules to the remaining 48 customers that may still be receiving one of the Affected Services. The Applicant asserts that it is considered non-dominant with respect to the services to be discontinued.

In accordance with section 63.71(c) of the Commission's rules, CenturyLink's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies CenturyLink that the grant will not be automatically effective. In its application and notice to customers, CenturyLink indicates that it plans to discontinue the Affected Services in the

Service Areas on January 30, 2015, or as soon thereafter as the necessary regulatory approvals can be obtained. Accordingly, pursuant to section 63.71(c) and the terms of CenturyLink's application, absent further Commission action, CenturyLink may discontinue the Affected Services in the Service Areas on or after **February 26, 2015**, in accordance with its filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **February 10, 2015**. Such comments should refer to **WC Docket No. 15-10 and Comp. Pol. File No. 1198**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service.
